Mill City Marketplace Vendor Spotlight

[Janine's Coffeehouse](#) opened in the North Loop neighborhood a little over two years ago. Janine's is proud to offer a great selection of locally roasted coffee that is both fair trade and organic, as well as house made soups and sandwiches on Rustica Bakery baguettes. The shop is adorably quaint, with a small but lovely garden patio that is open during the warmer months. Janine's cold press lattes are a little taste of heaven!
