**National Night Out. August 3, 6-9 pm. Chute Square Park (244 Bank St) and Chicago Mall.**

National Night Out is an annual nationwide event that encourages residents to get out in the community, holding block parties and getting to know their neighbors as a way to encourage crime prevention. It's a great way to promote community-police partnerships and enjoy a Minnesota summer evening surrounded by friends and family. MCC members are helping organize events on both sides of the river. Stop by for dessert, courtesy of MCC! [Click here](#) for details.

**Play Reading - *The Master Butchers Singing Club*. August 4, 6:30-9:30 pm. Guthrie Theater, 8<sup>th</sup> Floor, Livingston Conference Room, 818 S 2nd St.**

Play readings are hosted by a member of the Guthrie Staff or an Artist affiliated with the play. Participants will be assigned parts for reading and may rotate parts as necessary. Bookended by the two World Wars, *The Master Butchers Singing Club*, a moving story of tradition, family, love and loss, chronicles ordinary small-town citizens as they encounter the extraordinary events — both in their insular world and in the larger world — that come to define their lives. Performance on the Guthrie Wurtele Thrust Stage: September 11 – November 6, 2010. [Click here](#) for details and to register.

### Mill City Marketplace Vendor Spotlight

Tom Helgeson started Helgeson Tile 12 years ago to fulfill his desire to work creatively in his own business. He truly enjoys working with homeowners to bring their visions to reality. Tom's ultimate goal, whether working on a small project or a total transformation, is customer satisfaction. The Mill City area is unique in its opportunities to blend the rich history of buildings with modern materials and design.
