MILL CITY MUSINGS

New Complimentary Member Services Launched!

MCC members, ask and you shall receive! Thanks to an overwhelming member response in the last member services survey, we are happy to welcome two new pros to the MCC family and hope members will utilize their services!

Jodi Gillespie

Award winning interior designer Jodi Gillespie ASID, LEED AP is now available to provide complimentary Universal Design consultations for Mill City Commons members. Following an in home discussion of a day in the life of the homeowner(s), Jodi will identify areas for potential home improvements and then present a list of ideas personalized to make each home more comfortable, more functional and more pleasing.

With 15 years combined experience at high-end interior design firm Ramsey-Engler Ltd. and architecture firm Meyer, Scherer & Rockcastle Ltd. (MS&R), Jodi has started her own firm, Jodi Gillespie LLC Interior Design. Jodi has received awards for residential and commercial interior design and for service to the interior design profession. Other accolades include the 2001 "Emerging Talent of the Year Award" from the American Society of Interior Designers (ASID) Minnesota Chapter and Midwest Home & Garden Magazine; and the 2006 "Rising Star Award" from the University of Minnesota, College of Human Ecology. Jodi's work has been featured in numerous local and national publications. To set up an assessment please e-mail emilyhutchinson@millcitycommons.org

Andy Trawick

Mill City Commons' favorite tech guru is now running our complimentary help desk which takes place the first Monday of each month from 7:00-9:00 pm! Get all those nagging technology questions answered and find out how to make the most of your technology

Andy has 30 years of experience with computers and computer users and has worked for a variety of companies doing software development and helping with customer support. Andy knows MAC, Windows, and Linux and can deal with whatever issues you may have in your digital life whether they be a computer, phone, camera, or other digital device. Stay tuned for help desk sign up details!
