MILL CITY MUSINGS

A Thanksgiving Thank You!

Mill City Commons recently received a wonderful note from member Sabina Sten we wanted to share with you this Thanksgiving week:

"As John left the hospital for the Presbyterian Homes rehab facility and I prepared for stomach hernia surgery, the Mill City Commons Member-to-Member Volunteer Program stood ready to help and the volunteer brigade jumped into action! Visitors descended upon John while a friend took me to surgery. The week following the surgery every day at 10 a.m. sharp, volunteers took turns calling to make sure I was recovering well. Miraculously, flowers, soups and other goodies found their way to the apartment and even into the fridge! Our heartfelt thanks to all of you who contributed to a smooth sailing trip! Now – wouldn't everyone want to be taken care of as we are, should the tough times hit?"

Mill City Commons exists to make the kind of difference Sabina described in her letter and we are thankful to be able to do so. Happy Thanksgiving from Mill City Commons!

To request volunteer assistance or join the Member-to-Member Volunteer Program please email emilyhutchinson@millcitycommons.org.
